## Newsletter 4 Term 3 - Friday 27th January 2023

### Library

Hopefully you will have seen the photos in our newsletter and the White Horse News of our lovely new library which was officially opened by author Pippa Goodhart last week.

All classes have visited the library for the first time this week. Sammy from Ash Class shared, "We chose a book and shared the best bits with Mrs Beveridge, then we got to take it home to show mum and dad. We have to bring it back to the library in 3 weeks so someone else can read it".

### Music

We are so pleased with the uptake of our peripatetic music lessons this past term. Sophie in Ash Class was keen to show how well she is learning the violin and hopefully will have the confidence to share this soon with the rest of her class.

Musical activities are available to the children on most days each week via clubs, visiting music specialists and our worship.

If your child is interested in learning the violin, guitar or piano then please contact the school office for further information.

### Fun at Fairfield

On Wednesday 10 children went to Fairfield College to enjoy an afternoon of New Age Kurling and Boccia led by their sports leaders.

Pierre from Chestnut Class told me, "They are called stones. You use a handle on the stone and push it along the floor. You need to get it onto a target with a high number to get points. It was very difficult.

### Dilton Litter Pickers

Thank you to Rex in Ash class, Daisy and William G in Willow class and Roarke in Beech Class for helping the Parish Council with their litter pick in the cold and frost last Saturday morning.

### Lego magazine

You are able to sign up for a free subscription to Lego Magazine for children up to nine years of age. If you enter your child's learning age as appose to their actual age you can sign up for children who are older.
