

DILTON MARSH C OF E PRIMARY SCHOOL

Newsletter 3 Term 1 - Friday 23rd September 2022

Dear parents and carers

Last week our School Ambassadors were selected following a rigorous application process. They will represent the school and their houses in various events and activities across the year. We will expect them all to demonstrate our school values and high standards of behaviour. Teddy is our new Head Boy and Evie is our new Head Girl. They both wrote convincing letters giving their reasons for why they should be chosen for this prestigious role - they have both demonstrated an excellent attitude to school throughout their time at Dilton Marsh. This was a really difficult decision voted for by both the staff and the children in Chestnut and Beech Class.

Our other Ambassador roles include: House Captains who will lead House challenges and encourage others in their house to do their best each week. Our Eco Ambassadors will support staff and children in making environmentally friendly choices and encourage us all to be more green. Finally, our Sports Ambassadors will encourage active participation throughout the school and design and deliver physical activities and games during play and lunchtime alongside the Sports Leaders who received training last year. Congratulations to all.
